#### **Beth Israel Synagogue in Wallingford Completes Renovations**

Congregation Beth Israel has just completed two significant capital improvement projects.

Their iconic “stained glass” frontispiece was repaired, resulting in more efficient energy usage and increased safety. A bare lot adjacent to the building has been cleared, leveled, and seeded. Landscaping with perennials completes this project. Many new activities are planned for the extended community to enjoy this outdoor space in all seasons.

These renovations were made possible by a \$4,000 matching community grant from the Jewish Federation of Greater New Haven and the Jewish Foundation of Greater New Haven, which required Beth Israel Synagogue to raise an equal amount in donations from members and supporters.
